Attention to Detail

PROFILE

Aspiring software engineer and web developer with skills in HTML, CSS, JavaScript, and libraries such as React.js. Familiar with server-side development using Node.js and Express.js. Eager to apply my knowledge in a dynamic and collaborative environment. Seeking opportunities to grow and contribute to impactful projects.

PROFESSIONAL EXPERIENCE

Intern Full Stack Web Developer

YoungDev Interns
Jan 2024 – Feb 2024

- Designed and developed a user-friendly registration form using React.js, focusing on intuitive user interface design and efficient form handling and data validation using Formik and Yup.
- Integrated a personal portfolio website with React.js, showcasing my skills, projects, and achievements through a visually appealing and interactive platform.
- Created a cohesive multi-page website using the MERN (MongoDB, Express.js, React.js, Node.js) stack, including backend development with Node.js and Express.js for API, database integration with MongoDB, and seamless communication with the React frontend.

Intern Frontend Developer

Interns Pakistan
Jul 2022 – Aug 2022

- Developed and maintained responsive web pages using HTML, CSS, and JavaScript.
- Collaborated on WordPress tasks, including theme customization and content management.
- Exceeded performance expectations by demonstrating a self-motivated learning attitude and completing projects within set timelines.
